

DUNTREATH CASTLE GARDEN SHOW 15-17 JUNE 2012

All proceeds in aid of Erskine Hospital, Canine Partners, Scotland's Gardens, Artlink Central, Camphill Village Trust, & Glasgow Rotary

SILENT AUCTION

Following a number of successful Charity Garden Shows in England, which over 7 years have raised £750,000 for local Charities, Sir Archie & Lady Edmonstone are hosting a Scottish Garden Show at Duntreath Castle, Blanefield near Glasgow in aid of the Charities listed above.

We hope to attract around 8,000 visitors to this event and raise up to £50,000 for the Charities.

We will have a Silent Auction throughout the weekend run for us by The Rotary Club of Glasgow who are celebrating their Centenary Year which is the Centenary of Rotary in Scotland.

We are now seeking donations for the Silent Auction. Preferably things that are not immediately available to the general public, for example weekend accommodation, meals, shooting/golf/fishing days, fine wines, guided visits to museums/stately homes.

Please help our Charities in any way you can by completing the Donor Form overleaf and then returning it to Glasgow Rotary as soon as possible.
